MESSAGE: I would welcome the pedestrianisation of the High Street as it is now an uncomfortable and possibly unsafe environment for those on foot and in their businesses. According to the published traffic options, how would one drive through from east to west without going down to the Esplanade, up Bath Road and west along Belgrave Road? Presumably up Spring Hill to Mitchell Ave, Ocean View Road, Upper Gills Cliff to Whitwell Road and down the St Lawrence Shute. Or,up Steephill, left up Grove Road, left on to Ocean View? I would have thought the 2 way option on Albert Street would be preferable to those residents on Dudley Road, but more traffic using Dudley road might mean Dudley Road car park would be more profitable.
