

JANUARY 2018 TOWN COUNCIL MEETING DATE

TOWN COUNCIL MEETING

REPORT 97/17

11 DECEMBER 2017

No. DETAILS

1) BACKGROUND

- a) In the published list of Town Council meetings for 2018 the January meeting is listed for 9 January as that is the second Monday of that month.
 - b) However, I have since arranged the informal Town Council meeting for an initial discussions of the 2018/19 Budget on that date.
 - c) This could still be accommodated by moving the Town Council meeting to 16 January which, given the Christmas/New Year break, makes a five-week break between meetings more sensible in any case.
-

2) RECOMMENDATION

Members are recommended to agree to change the date of the January Town Council meeting from the previously advertised 9 January to 16 January.
