4) PLANNING APPLICATIONS

a) 24/00776/CLUED: ROCKLANDS HOTEL, UNDERCLIFF DRIVE

It was noted that this application is retrospective and contains substandard drawings. The Committee noted that the application did not make any reference to building materials and did not provide any photographs. The Committee noted that more detailed information would have been helpful. The Committee noted that the works were completed six years ago and would not comply with current building regulations.

It was unanimously resolved:

that Ventrnor Town Council are neutral but unhappy with this poor, retrospective planning application which lacks information.

b) 24/00814/HOU: ST JOHN'S, TULSE HILL

The Committee noted that the old extension was substandard, and this would be an improvement on the same footprint.

It was unanimously resolved:

that Ventrnor Town Council supports this application.
