# COMMUNITY ORCHARD - TREES

ENVIRONMENT AND TRANSPORT COMMITTEE

## PAPER B

#### **4 NOVEMBER 2024**

1) BACKGROUND

- a) At the Environment and Transport Committee meeting of 7 October, it was resolved to: Choose five trees to plant at the Community Orchard site. The decision as to which trees would be purchased would be made via email.
- b) The Chair of the Environment and Transport Committee and the Business and Voluntary Sector Officer conducted a site visit to ascertain how many trees could be planted.
- c) Following the Environment and Transport Committee meeting on 7 October, further research was required to source a local nursery with 2-3 year old trees available.
- 2) PROPOSAL
- a) The trees need to be planted in November and there are options appended to this report.
- **3)** RECOMMENDATIONS
- Members are recommended to:
- a) Select five trees from the options appended to this report for purchase and planning on site.

## **Community Orchard Planning**

Costing of trees, stakes and tree protection guards for 5 trees
