

ESPLANADE TOILETS CCTV INSTALLATION

**BUILDINGS MAINTENANCE
COMMITTEE**

PAPER A

5 FEBRUARY 2025

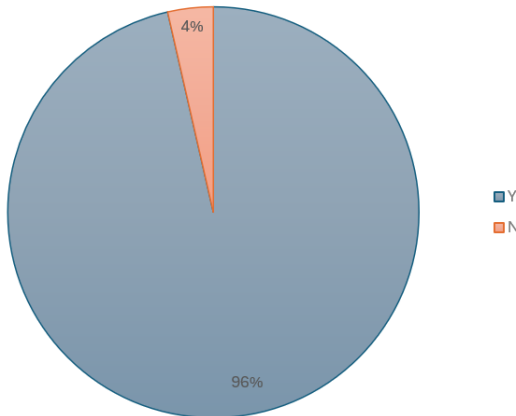

The purpose of this Report is to update members on the progress with CCTV Installation at the Esplanade Toilets

1) BACKGROUND

- a) The Town Council Meeting of 20th February 2024 agreed in principle to install CCTV at Ventnor Esplanade Toilets, subject to a consultation, agreeing to proceed with a quotation received of £1,952.48
- b) That consultation has now been conducted and the results are contained in this paper.

2) CONSULTATION RESULTS

- a) The consultation was widely advertised, and forms could be collected from several places in town as well as from the Council’s website
- b) 56 cards were returned, with 54 being in favour of installing the CCTV.

- c) All cards completed were from the South Wight area; mostly (89%) from Ventnor postcodes. There were 3 responses from Wroxall, 2 from Shanklin, and 1 from Niton.
- d) Additional comments included:

Additional Comments	
Yes	Query about costs (installation & ongoing) Generic supportive phrases It’s essential Need for more provision to keep youths from vandalism More CCTV in more locations
No	Would be difficult to link an image of someone outside to specific vandalism A dummy camera may have the same effect

3) RECOMMENDATIONS

Members are recommended to:

- Install CCTV cameras at Ventnor Esplanade toilets with the agreed contractor
